

**FINISHING INSTRUCTIONS FOR
MAKING THE BRACELET
REMOVABLE**

(see other side for permanent - must be cut off - instructions)

STEP 1 - Place the bracelet around your wrist.

STEP 2 - Tighten the bracelet until it feels comfortable around your wrist.

STEP 3 - Loosen the bracelet until it will just slip off of your wrist.

STEP 4 - Tie a knot just above the slip bead while still loosened from STEP 3. Carefully cut off the excess leaving 1/8 inch. Using a lighter or match, melt the 1/8 remaining twine to seal the knot.

FINISHING INSTRUCTIONS FOR
MAKING THE BRACELET
PERMANENT
IT MUST BE CUT OFF

STEP 1 - Place the bracelet around your wrist.

STEP 2 - Tighten the bracelet until it feels comfortable around your wrist.

STEP 3 - Cut off the excess twine leaving about 1/8 of an inch remaining.

STEP 4 - **Very Carefully** with a lighter or match, melt the 1/8th inch piece remaining from STEP 3 to seal the knot and keep the twine from slipping back through.
